

# JUNIOR DEVELOPER

 [hermantkevin.com](https://hermantkevin.com)

HERMANT Kevin

Transitioning from a successful career in the catering industry, I moved towards my true passion - technology. Despite juggling a full-time job, I earned a bachelor's degree in "Informatique de Gestion" with Distinction, fueling my enthusiasm for the endless possibilities of technology. Curiosity and creativity motivate me; I thrive in innovative, problem-solving environments. I value collaboration and look forward to learning from experienced professionals while sharing my ideas.
